There are approximately 50,000 acres in the San Luis Valley in southwestern Colorado dedicated to potato production. This area is the largest and highest commercial agricultural valley in the world. Elevation in the Valley ranges from 7,400 to 8,000 feet above sea level. There are approximately 25 potato warehouses in Colorado, mostly in the San Luis Valley, that pack and ship potatoes to the nation's fresh market.

The Dwight Eisenhower Memorial Tunnel between Clear Creek & Summit counties is the highest auto tunnel in the world. Bored at an elevation of 11,000 feet under the Continental Divide, it is 8,960 feet long and the average daily traffic exceeds 26,000 vehicles.

Sometimes being a brother is even better than being a superhero.

An illustration of Smokey Bear in a forest setting. He is wearing his signature brown hat with 'SMOKEY' on it, a brown shirt, and blue pants with a 'SMOKEY' belt buckle. He is standing next to a wooden wheelbarrow filled with leaves and a large pile of sticks and branches. In the background, there is a wooden cabin with the number '1944' on its door, a large mountain peak, and several trees with orange autumn leaves. The sky is blue with a few birds.
